## ABOUT US

*Travels with Love* is a blog from two Portuguese sisters that love fashion and love to travel around the world together since they were children.

Sara has a degree in Design and Raquel in Languages so it's a perfect match! Besides the Blog, you can find *Travels with Love* on Instagram and Facebook.

The followers of all social media accounts are fans of beauty, fashion and travels. We both share a passion for traveling and discovering new cultures so *Travels with Love* was born!
